

## HOW TO FIND US: CHICHESTER

**Beacon House**  
**Therapeutic Services**  
**Unit B Madam Green**  
**High Street**  
**Oving**  
**Chichester**  
**PO20 2DD**

Our newly refurbished building is set in tranquil surroundings just 10 minutes to the South of central Chichester. We have a large, comfortable waiting space with drinks and refreshments always available. Because of our rural location, there are no shops within walking distance. The Gribble Inn, directly opposite, serves coffee all day and food from lunchtime.

**Car parking:** There is always plenty of free parking available immediately outside our clinic. Please take extra care in the car park as there are frequent cars coming and going.

**On arrival:** The front door should be open, please come straight in. If your therapist is not available to greet you immediately, please take a seat, help yourself to a drink and refreshments and someone will be with you as soon as possible. There is a CCTV system linking the office with the waiting area so we know you have arrived. Our clinic is on the ground floor and we have wheelchair access and access for pushchairs. We are looking forward to greeting you.

### How to find us

**From Bognor Regis:** North via the A259 Chichester Road, turning right onto the B2144 at the Drayton roundabout and first right after the level crossing. Turn right into car park after half a mile.

**From Worthing and the East:** off the A27 turn left onto Shopwhyke Road at the lights after the John Lewis retail park. First right onto Drayton Lane. First left (before level crossing) onto High Street. Turn right into car park after half a mile.

**From Emsworth, Portsmouth and the East:** off the A27 (Bognor Bridge roundabout) take the A259 Bognor Road. Turn left onto the B2144 at the Drayton roundabout and first right after the level crossing. Turn right into car park after half a mile.

*Please contact the office if you need information about public transport routes.*
