

Letter from Jayne as Service Manager and Ofsted Registered Manager

I am writing to let you know that I will be leaving my role as Service Manager here at Beacon House at the end of August this year. I will have had direct contact with some of you across the 9 years that I have worked here, and others of you will have seen me in passing around the building or seen my photograph on the wall or website.

It has been a very busy last 9 years and I have enjoyed getting to know some of you and simply being in touch with others of you. It has been great to see Beacon House grow and be able to offer help and support to so many people over that time and I have really enjoyed being part of things here

Whilst I am now looking forward to a little more time to myself beyond August; I am confident that others will follow in my role and support and assist you as necessary.
