About the Service

Beacon House is a dynamic and thriving multidisciplinary service specialising in therapeutic services for children, young people, families and adults in West Sussex and surrounding areas. As a team, we combine psychotherapy, psychology and occupational therapy to provide a range of creative and carefully formulated assessment and therapy packages, with a special focus on repairing the effects of early trauma.

We receive referrals from self-funding adult clients and families who present with difficulties such as anxiety, low mood, school avoidance, OCD, PTSD, self-harm and family conflict. We work with over 100 children who are adopted or living with Special Guardians and as a service.

LOCATION

The successful applicant will work from home but also be able to work in person approximately once a month in our Cuckfield clinic, Chapelfields, West Sussex.

Safeguarding Statement

Beacon House is highly committed to the safeguarding of all children and adults at risk who come into contact with our service. Following safer recruitment procedures is the first step to ensuring we are able to keep all those who come into contact with Beacon House safe.

You will also be required to apply for a valid DBS (Disclosure and Barring Service) certificate, which will provide details of criminal convictions. This may also include a barred list check depending on the nature of the role. You are welcome to request our full Safer Recruitment policy or access our Safeguarding Framework on our website (www.beaconhouse.org.uk).

Equality and Inclusion Statement

The work of Beacon House is based on the belief that each individual is of equal worth regardless of age, disability, gender reassignment, marital or civil partner status, pregnancy or maternity, race, colour, nationality, ethnic or national origin, religion or belief, sex or sexual orientation (Protected Characteristics). All application forms will be considered equally, regardless of the above characteristics, and on the basis of the applicant's ability, experience, professional values and qualifications. We recognise the value of having a diverse workforce in order to best meet the needs of our clients.

Beacon House is anti-racist. You can find our anti-racist service position statement on our website.

GDPR Statement

If you apply for the role, your personal data will be recorded, stored, processed and utilised for safer recruitment purposes in accordance with our Privacy Policy. If your application is not successful on this occasion, we will securely and permanently destroy all information you have provided to us after six months, in line with our retention policy.
